

MEMORANDUM

Membership Subscription Increases from 1st November 2012

Please be advised that in conforming to resolution 22 of the 2010 BCOM conference which states:

“ That pursuant to rule 80 of the rules, the UFU of A - Aviation Branch subscription rate be now altered to constitute an amount that is and will remain aligned to 1% of a Leading Firefighter gross salary and that this rate be commenced from the pay increase scheduled for November 2010. Further this motion is to be read in conjunction with resolution number 34 of the 30th annual conference held 2007.”

What that resolution means is that in line with the most recent pay increase, 2.15% from 1 November 2012, the union subscription rate will now rise 60cents per fortnight.

The full subscription rate is now \$28.75 per fortnight and \$14.38 per fortnight for the first twelve months for all new recruits.

NB: Members are reminded that union subscriptions are a legitimate tax deduction.
