## Fundraiser Campaign Craig Machen for MND

Leading Firefighter Craig Machen is one week into his surf ski paddle around Tasmania. Craig is planning to complete his journey on January 25 2017.

This next two weeks will provide an opportunity for UFUA members to support Craig's fundraising campaign. All Moneys raised will go to assist in finding a cure for Motor Neuron Disease MND.

**If members could hold Mess room and Station collections over the next two rotations this will be greatly appreciated.**

All monies collected can be deposited directly with "gofundme" by following the "gofundme" link or can be passed onto the Union office to give to Craig at the end of his journey.

Follow Craig's journey:
