EA UPDATE

2/2/2022

008/2022

FOR THE INFORMATION OF MEMBERS

Yesterday the Union's bargaining team and the Airservices' bargaining team met again.

Summary of Union's position

The Union relayed members feedback, namely what is on offer by Airservices is insufficient.

That issues of Equity, Diversity, Hours of Work, Health, Safety, Infrastructure, Resourcing/Staffing are too important to be left to policy or procedure. More needs to be included in the EA.

Our members have said, repeatedly, that they need to see real improvement in working conditions for them to vote "yes" on a proposed agreement.

Airservices position

The meeting was brief, Airservices bargaining team wish to go away and have further discussion with the Chief Service Delivery Officer and Chief Fire Officer and then get back to us.

Next steps

Workplace Delegates and Branch Committee Members of the Union are meeting later this week.

Please stay tuned for more updates.

In Unity,

Wesley Garrett,
Secretary
