## EA UPDATE

17/02/2022

011/2022

### FOR THE INFORMATION OF MEMBERS

Yesterday Airservices Bargaining Team, accompanied by Workforce Deployment Resourcing Manager, and the Union Bargaining Team met to discuss 24-hour rostering for 24-hour stations.

#### Summary of Union position

This topic is one of the key items in our log of claims (which includes measures for Work Health Safety, Equity & Diversity, Infrastructure/Facilities, Staffing/Resources). The Union suggests no changes to existing rostering principles, the 10/14 will not be removed from the EA! Rather, we seek the inclusion of an Airservices endorsed 24-hour roster available as an option for 24-hour locations. Ultimately, the choice would be made by our members and decided by popular vote. We want the deal done on 24-hour rosters.

#### The ask is now on Airservices

What would Airservices propose to include in the EA, to allow an employee vote on selecting a 24-hour roster at a 24-hour location? The Union has asked this of Airservices. We are waiting on their reply. The Union wants to have this information to be able to present it to members for their consideration.

#### Strength In Unity

As always, the power rests in the hands of the members, by their majority vote for significant decisions. We continue to encourage feedback via Workplace Delegates and Branch Committee Members.

In Unity,

Wesley Garrett,  
Secretary
