PROTECTED INDUSTRIAL ACTION UPDATE No 02/2022

FOR THE INFORMATION OF MEMBERS

Uniforms

From the commencement of shifts on 27 April 2022, and for the duration of the entire PIA, you will not be required to wear your Airservices Uniform.

Health and safety

Standard issue boots must be worn. Clothing must appropriately cover your underwear and must not be offensive or obscene in any way. When turning out, PPE will be donned as required. Dress for your local weather conditions. Up north, it could be shorts and t-shirts, down south it might be long tops and bottoms.

What to wear?

Our preference is for members to wear their existing Union merchandise. That way the public can gain an awareness of our PIA campaign. Our 2022 PIA T-shirts will be dispatched from the manufacturer direct to your location shortly.

Stay informed

Further updates will follow as we progress through other items in the PIA.
