SITREP

AIRSERVICES SAFETY CULTURE SURVEY PRESENTED BY GLOBAL SAFETY INDEX (GSI)

13/9/2022

FOR THE INFORMATION OF MEMBERS:

Yesterday members received an email (Airservices email address) from the “Global Safety Index Team” which provided access to an online survey seeking feedback on Airservices safety culture, leadership, behaviours, and systems.

As members may recall on the 5/5/2022 as a part of our Protected Industrial Action a ban was applied to participating in Airservices surveys.

Due to the relevance of the “GSI” safety culture survey, **the UFUA encourages ALL members to complete the survey and to answer all questions openly and honestly.**

Airservices Safety Culture Survey

Dear Wesley Garrett

Here is your opportunity to participate in the Global Safety Index, to have your voice heard about Airservices safety culture, leadership, behaviours and systems. All responses will remain **confidential**, with only summary reporting presented back to Airservices

To access the survey, please click the link below.

[BEGIN SURVEY](#)

Regards,
The Global Safety Index Team

[Privacy Policy](#)

The survey provides an opportunity for members to substantiate concerns over:

- PFAS contamination
- Mental Health (Bullying and Harassment)
- Chemical Exposure (by-products of combustion / decon & hygiene)
- Diesel Particulate Matter
- Minimum staffing impacts on operational capability and fireground safety
- Facilities and amenities etc.

In Unity

Wesley Garrett,
Secretary
UFUA Aviation Branch
